Winter Impression

The cozy, comfortable and spacious vacation home is located with Haus Lemon Creek on a 22 acre natural treed and unspoiled property in the riverside landscape of Slocan River. It combines Canadian wood building with a cozy European style interior and offers space and amenities for 5 persons.

It features a homely living-dining room area with the warm atmosphere of a wood stove, a fully equipped kitchen, a large bathroom, and a storage room with washer and dryer. The master bedroom with two extra large beds is on the main floor as well as a single bedroom. The second floor hosts a bedroom with two extra large single beds plus a cozy reading and video room. Outside guests find a large deck with picnic table and deck chairs and also a fire pit and barbecue with picnic table by the river.
